All the mainly reasoning topics are there…

- Alphabet Test
- Analogy
- Arithmetical Reasoning
- Blood Relations
- Calendar and Clock Test
- Classification
- Coding-Decoding
- Cubes and Dices Test
- Data Sufficiency
- Images
- Mathematical Operations
- Non-Verbal Series
- Number-Ranking-Time Sequence
- Puzzle Test
- Series Completions
- Statements
- Syllogism
- Verbal Reasoning

For any competitive exams, **most important and frequently asked topics** in reasoning are:

- Series
- Blood Relations
- Coding-Decoding
- Syllogism
- Distance & Direction
- Problem Solving
- Ranking/ Arrangement/ Sitting Arrangement
- Input-Output
- Symbols & Notation

and **some other topics** in reasoning are

- Assumption
- Conclusions & Inferences
- Courses of Action
- Critical Reasoning
- Data Sufficiency
- Cause & Effect
- Argumentation
- Decision Making/ Data Analysis etc.

Source of #wifistudy-

Segment 1 – Topics – **Alphabetical Series** & **Coding Decoding.**
Segment 2 – Topics – Inequality & **Syllogisms.**
Segment 3 – Topics – **Order n Ranking** & Direction & **Blood group.**
Segment 4 – Topics – **Data Sufficiency** & Machine Inputs.
Segment 5 – Topics – **Sitting Arrangements** & **Puzzles.**
Segment 6 – Topics – Data Flow Diagram & **Decision Making** & Logical Reasoning.
